

5 Simple Steps for a Successful Family Quest

1

Brainstorm together as a family answering questions like...

- ☺ What do we love doing as a family?
- ☺ How could we help someone else?
- ☺ Who (or what) do we know that could use some help?

2

Decide on your Quest. What do you need to do to make it happen? Do we need to check with anyone first? Who does what? Delegate! Everyone helps in a Family Quest.

Mom will take photos and a video of us all in action. When we are finished we share cookies together with our neighbour!

3

Carry out your Quest! Remember... document it!

4

Talk about your Quest experience and Document it.

- ☺ What was the best part about your Quest?
- ☺ What might you do differently?

Write it down, make a video, snap pictures or do all three.

5

Post your Family Quest on the Families Helping FB page

What are Family Quests?

A quest is a challenging adventure to find or do something. A **Family Quest** is a family giving service to others. It's called a **Quest** because you are going out into your community together as a family with a purpose; to help someone, or to do some good.

Why Family Quests?

We could give you many quotes and statistics regarding the benefits of families giving service, but this one sums it up nicely.

“Family service can change your family dramatically. And it will help [you and] your children become generous, charitable, hard working, creative, faithful, and virtually every good thing you can think of.” Merrilee Boyak

We wish we could say it was always easy for us to do service together with our children, but it wasn't.

That is part of the challenge. It may not be easy but it is definitely worth the effort it takes to complete a **Family Quest**.

The projected outcomes of the **Family Adventure Quests** are:

- ☺ Creating a **Movement** of families giving service together in their community.
- ☺ FUSEing Families! Helping families to be more unified, strengthened and empowered!
- ☺ Impacting the world through service.

Why the FB group?

Once your **Family Quest** is completed and documented you can join the closed **Families Helping** FB group and post your completed **Quest**.

<https://www.facebook.com/groups/familieshelping/>

The purposes of this closed group are:

- ☺ To encourage and support each other in this movement.
- ☺ For accountability.
- ☺ To “meet” new friends who share similar values and ideas.
- ☺ To see the impact that this global movement of families is having on families and communities around the world.

Disclaimer: Safety First

It is important when planning your **Family Quests** that you keep your family safe.

Respect the rights of others. Always check with those you are serving that you have their permission.

When documenting your **Quests** ask permission before taking pictures or videoing others.

Most of all....

Have Fun Together!!
